

GULF COAST ASSOCIATION OF GEOLOGICAL SOCIETIES
510 California Building
New Orleans, La.

Sept. 25, 1951

All Steering Committee Members
and Alternates

Gentlemen:

Please be advised that a meeting of the Steering Committee will be held at 7:30 A.M. Friday morning, November 16th, at a breakfast meeting. The Alternates are requested to be present and to be prepared to take office as the Steering Committee. New officers to be chosen by the Committee consist of the Chairman, Vice Chairman and Secretary. Please advise your respective society of this meeting and have your respective society elect or appoint a new Alternate to meet with the Steering Committee for the year 1951-52.

I am most pleased to inform you that plans for the meeting on November 15, 16 and 17th are rapidly being completed. A full and complete volume of preprints is assured. The advertising program is well in hand and the New Orleans Geological Society, the host society, is planning extra entertainment features that should assure a pleasant program for all, and particularly for the ladies.

Mr. Carl Grubb, Chairman of the Housing Committee, reports four hundred or more reservations as of this date and more are anticipated, of course. Please exert your efforts toward attendance at this meeting. Cooperation in publicizing this meeting will assure its success.

With my thanks to you for your cooperation, I remain

Yours very truly,

Leslie Bowling

Leslie Bowling, Chm.
Steering Committee
