

UNION OIL COMPANY OF CALIFORNIA

Corpus Christi, Texas
June 5, 1951

GCAGS
Mr. Leslie Bowling
510 California Company Building
New Orleans, La.

Dear Les:

Enclosed is a check for twenty-five dollars (\$25.00) covering the membership fee for the Corpus Christi Geological Society in the Gulf Coast Association of Geological Societies. I for one, certainly feel that the formation of such a group could prove a valuable asset to those of us engaged in geologic work on the Gulf Coast.

Yours very truly,

Richard N. Spencer, Treasurer
Corpus Christi Geological Society

RNS/lrs
