2013 GCAGS / GCSSEPM Convention Awards

2013 A. I. LEVORSEN MEMORIAL AWARD
(Gulf Coast Section, AAPG)

Jonathan P. Parker, co-authors: Claudia Montoya, Michael Murat, Richard Uden, and Oleg Yakovlev: “Comparison of OBN and Legacy NAZ Seismic Surveys at Ewing Bank, Gulf of Mexico”

2013 THOMAS A. PHILPOTT EXCELLENCE OF PRESENTATION AWARDS
(Gulf Coast Association of Geological Societies and Gulf Coast Section SEPM)

FIRST PLACE – Jonathan P. Parker, Claudia Montoya, Michael Murat, Richard Uden, and Oleg Yakovlev: “Comparison of OBN and Legacy NAZ Seismic Surveys at Ewing Bank, Gulf of Mexico”

SECOND PLACE – Richard Denne and Robert Blanchard: “Regional controls on the formation of DeSoto Canyon, Gulf of Mexico”

THIRD PLACE – Jeffrey Nittrouer: “Hydrodynamics and sediment transport in the lowermost Mississippi River: Implications for the development of fluvial-deltaic stratigraphy in large lowland rivers basins”

2013 GORDON I. ATWATER BEST POSTER AWARDS
(Gulf Coast Association of Geological Societies and Gulf Coast Section SEPM)

FIRST PLACE – Regina Dickey: “Palynology and paleoenvironment of Paleocene-Eocene Wilcox Group sediments in Bastrop, Texas”

THIRD PLACE – Jason Asmus and G. Michael Grammer: “Characterization of deepwater carbonate turbidites and mass-transport deposits utilizing high resolution electrical borehole image logs: Late Leonardian (E. Permian) Upper Bone Spring Limestone, Delaware Basin, Southeast New Mexico and West Texas”
GROVER E. MURRAY BEST PUBLISHED PAPER AWARDS
(Gulf Coast Association of Geological Societies and Gulf Coast Section SEPM)

First Place - Thomas E. Ewing: “Stratigraphy of the Austin, Eagle Ford, and Anacacho Formations and its Influence on Hydrocarbon Resources, Pearsall Field Area, South Texas”

Second Place – Malcolm B. Hart, Peter J. Harries & Andrés L. Cárdenas: “The Cretaceous/Paleogene Boundary Events in the Gulf Coast: Comparisons between Alabama and Texas”

Second Place – David T. King, Jr. and Lucille W. Petruny: “Stratigraphy of the Margaret Creek Formation, Corozal Basin, Northern Belize”

Third Place - Brian E. Lock, Joseph W. Grimball and Jack G. Johnson: “The Cenomanian Del Rio Formation in West Texas”
