

UNION SULPHUR AND OIL CORPORATION
PIONEER BUILDING
LAKE CHARLES, LOUISIANA

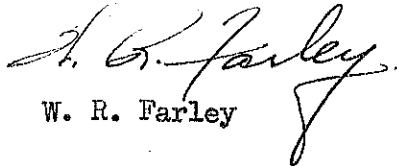

April 21, 1951

Mr. Leslie Bowling,
510 Calif. Building,
New Orleans, Louisiana.

Dear Sir:

The members of the South Louisiana Geological Society were polled by mail to see whether or not they desired to become a member of the proposed Gulf Coast Association Geological Society. 200 letters were mailed, 64 voted as follows: 60 for our entrance into the Association, 2 voted against and 2 indicated no preference.

Yours very truly,

W. R. Farley
